Reward Ticket Cancellations & Modifications

The following applies to tickets redeemed using Amtrak Guest Rewards points:

One-Way, Round-Trip, or Multi-Segment Reward Travel

- **Cancellations:** A 10% points penalty is assessed for any refund (redeposit) to the Member account. If canceling a non-sleeper ticket within 24 hours prior to departure, or a sleeper ticket

within 14 days prior to departure, an additional "close-in" penalty of 10% of the points redeemed will be collected (waived for Select Executive members).

- **Modifications:** A points difference (to new, prevailing fare) will apply in all cases with a 10% points penalty withheld on any fare difference returned to member. If modifying a non-sleeper ticket within 24 hours prior to departure, or a sleeper ticket within 14 days prior to departure, an additional "close-in" penalty of 10% of the points redeemed will be collected (waived for Select Executive members).

Multi-Ride (Six-Ride, Ten-Ride) Reward Tickets

- **Cancellations:** Points are refunded minus a 10% points penalty if unused and unexpired. Points are non-refundable if first trip is used or if ticket is expired.
- **Modifications:** Before first ride, a full exchange in point value will be issued without penalty. No exchange in point value after first ride or after expiry—whichever comes first.

Monthly Pass Reward Travel

- **Cancellations:** Points are refunded minus a 10% point penalty prior to first day of valid month. Redemption is non-refundable on or after first day of valid month.

See the [Amtrak Guest Rewards Redemption Guidelines](#) for complete details on booking, canceling or modifying reward ticket reservations.

Multi-Ride Tickets

A refund fee applies to all multi-ride refunds. Refunds may be restricted if the multi-ride ticket was paid for with a tax-free transit subsidy.

Monthly Ticket Refund Policy

Before valid month	Full refund, less 25% refund fee	100%

On or after day 11 of valid month	Non-refundable	None

Ten-Ride and Six-Ride Ticket Refund Policy

Number of Rides (punches) Taken	Amount of Refund	Exchange Value
None	Full refund, less 25% refund fee	100%
One or more	Non-refundable	None

Multi-Ride Tickets Sold for Other Carriers

The refund policies for multi-ride tickets sold by Amtrak for other carriers (such as MARC and Shore Line East) are determined by the carrier.

Vehicles and Add-on Fees

The refund policy is that of the customer ticket with which the vehicle (automobiles, motorcycles) or add-on (golf bags, bikes, pets.) fee ticket is associated. Example: Sleeper and automobile on Auto Train. The sleeper refund policy also applies to the automobile ticket.

Boarding Late or Leaving Early, Downgrading

No refund or exchange credit is given if a customer boards a train at a station beyond, or detrains at a station before, the station from or to which he or she was reserved, or if the customer downgrades accommodations on the train. To receive a fare adjustment the customer must change the reservation before the train departs the original boarding station of that train. This restriction will not apply if there is a service disruption. Customers who downgrade accommodations or reduce the number in their party on board trains must obtain a Refund Authorization Form from the conductor.

Refund Calculations

Refund rules are applied based on the scheduled departure for the first segment in a trip and are calculated for the total fare paid for each trip. A "trip" is a grouping of continuous travel.

Example: A booking Wilmington → Washington → Chicago → Seattle with same-day connections is one trip.

When a trip consists of multiple classes of service, the refund policy is applied to the entire trip based on the primary class of service, which is determined in the following order:

1. Sleeper Accommodations
2. Acela Express First Class and Non-Acela Business Class
3. Reserved Coach and Acela Express Business Class
4. Advanced Purchase Fare

5. Unreserved Coach

Example: If a trip includes both reserved coach and sleeper. The sleeper refund policy applies to the entire trip.

Additional Information

1. Refund fees have a minimum of \$5.00 and a maximum of \$250.00 per transaction.
2. An Amtrak ticket becomes non-refundable, not valid for carriage and has no exchange value, after one year from the date payment was made for that ticket (or other period if so endorsed on the ticket). An eVoucher or other exchange credit is valid for one year from date of issue.
3. If a customer does not take the entire trip paid for, the remaining ticket value is calculated by subtracting the fare for any travel already taken from the total amount paid. The refund policy applies as soon as payment is made, whether or not any ticket is printed, and applies to entire fare paid including both rail fare and any accommodation charge. The Amtrak refund policy is subject to change at any time.
4. eTickets and tickets purchased through other prepaid programs are considered "paid for" and subject to the refund policies of any component rail fare, customer type discount, and/or promotional discount, even if paper value tickets have not yet been printed.
